# *Forms for Estate Planning*

Since each State has special statutory regulations in regard to wills, it is most important that all testamentary papers be signed, witnessed and executed according to the laws of the State in which the testator resides. In all cases, however, the legal name of the corporation must be accurately given, as in the following form:

*"I give and bequeath .....to Montreat-Anderson College, Incorporated, at Montreat, North Carolina, and to their successors and assigns forever, for the uses and purposes of said School, according to the provisions of its charter."*

All legacies to Montreat-Anderson College are exempt from Inheritance Tax. In some cases where large sums are involved, a legacy to Montreat-Anderson College would bring the total Inheritance Tax into a lower bracket and would reduce Inheritance Tax as a whole. Montreat-Anderson College urgently needs an Endowment, and money for Christian education cannot be spent to better advantage than for the benefit of this institution.

*The Legal Title of the Institution Is*
"MONTREAT-ANDERSON COLLEGE, INC."

THIS TITLE SHOULD BE USED WHEN YOU INCLUDE THE COLLEGE AS A BENEFICIARY IN YOUR WILL

# The College

# *The College*

*A Statement of Purpose —*

The Presbyterian founders of Montreat-Anderson College were men of strong conviction and clarity of purpose. They proposed in their charter "that those attending the college receive a sound and thorough Christian Education suitable to their needs." They made it clear that they were establishing a college in which students would receive "instruction in the Holy Bible" which is taught "with a firm persuasion that it is the very Word of God;" encounter God as He is revealed in Jesus Christ who is the incarnate son of God, the only Saviour of men, the only Lord of Life and the Truth by whom all knowledge is judged.

Montreat-Anderson is a college of the liberal arts which emphasizes studies, disciplines and activities which will liberate men and women spiritually, mentally and physically. It is primarily concerned with preparing its graduates not only to make a living but to live triumphantly knowing the meaning and purpose of life.

Montreat-Anderson is a small community of learners where faculty and students, living and studying and worshipping together, seek after knowledge and grow toward maturity in Christ. It endeavors to teach students to think clearly, to achieve a Christian scale of values and to communicate effectively with others. Here, every student is known by and is a deep concern to the faculty who seek to guide him in his search for truth and to counsel with him in his search for God's will for his life.

*Accreditation*

Montreat-Anderson is fully accredited. It is owned and operated by the Board of Directors of the Mountain Retreat Association which is owned and operated by the General Assembly of the Presbyterian Church in the U. S. It is affiliated with the Synod of Appalachia and Asheville Presbytery.

It is accredited by the North Carolina College Conference and the Southern Association of Colleges and Schools.

It is a member of the American Association of Junior Colleges, the Council of Protestant Colleges and Universities, the Presbyterian Education Association of the South, the Church-related Colleges in the South, the North Carolina Foundation of Church-Related Colleges, The Southern Association of Junior Colleges and The Association of Protestant Schools and Colleges.

## *Montreat-Anderson History*

In 1913, the Board of Directors of the Mountain Retreat Association authorized the President, Dr. R. C. Anderson, to offer the use of Montreat grounds and buildings to the General Assembly of the Presbyterian Church in the U. S., to be used for school purposes.

In 1914, the General Assembly appointed an ad interim committee to consider this proposal. The following year, the General Assembly adopted the report of the committee; "That the property of the Mountain Retreat Association be used for a Normal School and that the establishment of the school be referred to the Synods."

The Synods of Appalachia, Georgia, Alabama, North Carolina, Tennessee and Virginia elected trustees who met in Montreat on May 2, 1916, and elected Rev. Robert F. Campbell of Asheville, N. C., Chairman, Rev. W. T. Thompson, Jr., of Knoxville, Tenn., Secretary, and Ruling Elder T. S. Morrison of Asheville, N. C., Treasurer. The Montreat Normal School opened its first session in October, 1916 with eight students.

Montreat Normal School was made a Junior College in 1933 and named Montreat College. From 1945 to 1959 it was a four year college for women. In 1959 it was made a co-educational Junior College and the name was changed to Montreat-Anderson College in grateful recognition of Dr. R. C. Anderson, who was President from 1916 to 1947, and Mrs. R. C. Anderson, its principal benefactor throughout its history.

The Presidents of Montreat-Anderson College have been The Rev. Robert Campbell Anderson, D.D., 1916 to 1947; The Rev. J. Rupert McGregor, Th.D., 1947 to 1957, and The Rev. Calvin Grier Davis, Th.D., D.D., 1959—.

## *Location*

Montreat-Anderson College is located at Montreat, North Carolina, in the heart of the Blue Ridge Mountains. Montreat is the home of the Presbyterian Church, U. S., almost exactly in the center of the population of the Church. Montreat is seventeen miles from Asheville and two miles from Black Mountain. Highway U. S. 70 runs within two miles of the campus.

## *Buildings and Equipment*

The buildings of Montreat are unique and beautiful, being of native stone on the exterior and colorful mica-flint, granite, and sandstone on the interior. The floors are variegated marble.

GAITHER HALL is the College Administration Building. Besides the administration offices, it has classrooms, a library, science laboratories, and an especially beautiful chapel. This building is a gift made by Mrs. R. C. Anderson to the College in the year 1935.

The MCALISTER SOCIAL-RECREATIONAL HALL, constructed of native stone along Assembly Circle, is the newest building on the campus. The student lounge is on the first floor. The assembly room, 73' x 104', is used for skating, square dancing, and other activities. On the second floor are the basketball court, with a seating capacity for 225; ticket and concession space; showers and dressing rooms.

MONTREAT-ANDERSON COLLEGE LIBRARY is located in the south wing of Gaither Hall. The collection contains approximately twenty-one thousand volumes and is administered by a professionally trained librarian, an assistant librarian, and a capable staff of student assistants. The reading room is one of the most pleasant places on the campus for relaxation, reflection and study.

THE HISTORICAL FOUNDATION of the Presbyterian and Reformed Churches, which is owned and operated by the General Assembly of the Presbyterian Church in the U. S., moved into a new building in the summer of 1954. The collection of this library numbers 40,000 volumes and 25,000 pamphlets. The collection in addition to its excellent resources in the fields of religion and church history is strong in encyclopedic, bibliographic and biographic materials. It also contains much material in the field of state, national and European history.

ASSEMBLY INN has a dining room where the students and faculty have meals. The College frequently has its formal banquets, receptions, and parties in the Inn dining room. A number of the faculty members have rooms at the Inn. Parents and other guests will find comfortable accommodations there.

*Picturesque Assembly Inn with accommodations for over 200 guests provides comfortable accommodations year around.*

Anderson Auditorium has fifteen classrooms, four practice rooms and a chapel in addition to the large assembly room which seats 3,500 people and is used mainly for the summer conference program.

The Music Building is a stone building located on Geneva Place. It includes offices, studios, classrooms and practice facilities.

College Hall is an attractive dormitory which can accommodate a hundred students.

Howerton Hall is the newest and largest of the dormitories. Each bedroom has a private or adjoining bath, and there is a large recreation room.

The World Fellowship Building, constructed in 1937, was made possible by the Birthday Gift of the Woman's Auxiliary of the Presbyterian Church, U. S. This building is used as a dormitory.

New Residence Hall (not yet named). This building, under construction during 1963-1964, is designed to house 102 students and will be used in 1964-65.

Commercial Center. The Commercial Center provides a general merchandise store, the Montreat Post Office, a coin operated automatic laundry, and other services.

Moore Memorial Social Center. The Moore Memorial Social Center, provided by Mrs. Philip Howerton and her children as a memorial to the children's father, houses the book store, gift shop, snack bar, and other facilities designed for use in the social life of the campus.

Graybeard Theatre. Graybeard Theatre, a building with a long history on the Montreat grounds, has been adapted for use by the Montreat Players. College students may use it in early fall and spring.

## *Spiritual Life*

It is the desire of the college to create such a Christian atmosphere in all phases of college life as will be conducive to the continuous Christian growth of the individual. Bible courses form an essential part of the curriculum. Regular attendance at chapel, Sunday Church Service, and Sunday Vesper Service is required.

## *Organizations and Student Activities*

The social life of the college centers in part around the student organizations. Departmental clubs, class organizations, the Recreation Associations, the drama group, etc., provide varied activities, and in addition, the college as a whole sponsors parties, concerts, lectures, and other programs throughout the year.

The accessibility of Asheville makes it possible for students to participate in the cultural opportunities of the city such as the Community Concert Series and the Community Theatre Plays.

### Student Government Association

Upon matriculation, all students become members of the Student Government Association, the government of which is based on the principle that Christian faith should find expression in everyday living. Regulations for putting this principle into practice have been made largely by the students themselves. (See Student Handbook).

*The Montreat-Anderson College Singers are widely known as an outstanding choral group.*

### Student Christian Association

The Student Christian Association is a student organization for the purpose of enriching the spiritual life of the students and developing Christian leadership. All college students are members of this group.

Opportunities for student participation are offered through the Sunday evening vesper services which are planned by the students themselves and through division into smaller groups giving students a chance to plan and carry out service projects.

## *Men's and Women's Recreation Associations*

The recreational programs and athletic activities are built around a strong intramural program based on the principle of participation at every level of competency.

The men's and women's recreational associations conduct the activities under the supervision of the Department of Physical Education.

Activities include the opportunity to develop skills in court and field sports, and recreational participation in hiking, horseback riding, golf, tennis, and dancing.

Attention is given to adjustment to college life and purpose.

*At Montreat-Anderson College, an active counseling program is considered essential to smooth adjustment to college life.*

### *Health Service*

## *Standards of Conduct*

The student body provides guidance and self disciplinary directions through a Student Handbook. A strong honor system is administered by the Student Government Association.

Hazing in any form, drinking alcoholic beverages, gambling on or off the campus, the possession of firearms or explosives, are prohibited.

It is expected that every student will live in harmony with the spirit and according to the regulations of the college.

The college reserves the right to ask for the withdrawal of any student who refuses to adjust to these standards or who harmfully influences another student.

## *The Honor System*

"Life at Montreat is based on the belief that the ideal community is made up of honorable individuals . . .

"Each student and faculty member has a responsibility for himself and for every other member of the college community. The failure of one person to live honorably is in part the failure of all, as the movement of one individual toward complete understanding of Christian living is a step toward honorable living for the whole college.

"For this reason, the students at Montreat have accepted what is called the 'Honor System,' under which each student agrees to try to discipline his own life and to be ready to help all others to discipline theirs toward the goal of a community in which each member will merit and distribute trust and respect. It is in large part due to the acceptance by students and faculty of the Honor System as a way of life, that the 'Spirit of Montreat' is a reality, not only on the campus, but wherever former Montreat-Anderson students are found."

—*Excerpt from the Student Handbook.*

Before students are accepted for admission to Montreat-Anderson College, they must sign a pledge agreeing to uphold the Honor System of the college.

# ENDOWMENTS

## LIVING ENDOWMENT PROGRAM

The Montreat-Anderson College Living Endowment Program provides an opportunity for alumni, churches, civic groups, businesses, and friends of the college to make regular contributions toward the current operation of the college. It also makes it possible for interested and concerned people to provide for students substantial assistance through grants in aid. Since the annual gift is the same as interest on a large capital investment, it becomes significant in the overall financing of the college and establishing college accreditation by representing a much larger capital fund or endowment. Thus, a gift of $100 represents the interest at 4%, current earning of the Endowment Fund, on $4,000.

The alumni portion of the college Living Endowment underwrites work grants. The Good Neighbor's Program seeks annual gifts from individuals and businesses in the Swannanoa Valley to support scholarships for graduates from the Valley. The Montreat Woman's Club annually provides the funds which make possible scholarships to valedictorians and the giving of small credits to children of ministers and full-time church employees.

All gifts to the college for current operations are considered a portion of the Living Endowment. In support of this program an annual Roll Call is made among the alumni, churches, Women of the Church, industries and businesses. Checks should be made to Montreat-Anderson College, Living Endowment.

## INVESTED ENDOWMENT FUNDS

Montreat-Anderson College has invested endowments of $603,570.04 (October 1, 1963).

The named Endowment Funds are:

T. S. McPheeters Fund
S. W. Newell Fund
W. D. Simpson Memorial Fund
Lola E. Johnston Scholarship Fund

The Presbyterian Foundation, 1004 Wachovia Bank Building, Charlotte 2, North Carolina, administrates the Montreat-Anderson College Endowment Trust and serves as representative of the college in the investment of all funds received for endowment purposes.

# ACADEMIC REQUIREMENTS

In order to receive an Associate in Arts degree, a student is required to complete one of the standard college courses listed on page 24-28 of this catalog. An Associate in Science degree will be awarded upon successful completion of 64 credit hours including: English 12 hours: Bible 6 hours; Hygiene 2 hours; Physical Education 4 hours; Electives 40 hours.

| B 90-94 | D+75-79 |

## ACADEMIC REGULATIONS

### *The Unit of Credit*

The semester hour is the unit of credit. In most cases one credit is allowed for each hour of recitation per week in each course, and one credit for each two hours of laboratory per week, per semester. The Description of Courses indicates how many hours of credit are allowed for each course.

### *Quality Points*

One quality point is required for each semester hour of academic credit. Quality points are awarded for class work according to the following system:

1 semester hour with a grade of A counts 3 points.
1 semester hour with a grade of B counts 2 points.
1 semester hour with a grade of C counts 1 point.

*Dean's List*

The Dean's List is posted at the end of each semester; it is made up of those students who made a grade of at least B in every Academic course for the semester.

*Classification of Students*

To be classified as a sophomore, a student must have to his credit at least 28 semester hours with equal number of quality points.

*Re-examinations*

A fee of $1.00 is charged for each re-examination and must be paid at the business office before the re-examination can be taken. Re-examinations must be taken when scheduled.

*Change of Course*

A student may add a course within one week of the date of registration. If a student drops a course within six weeks after registration, no permanent record is made if official drop slip is approved. If a course is dropped after six weeks, a record of "WF" (withdrawn failing) is made unless the Dean of the Faculty recommends otherwise.

*Report of Grades*

A report of the student's work is mailed to the parent or guardian at mid-semester and at the end of each semester. A copy is also given to the student. The semester grade appears on the student's transcript.

*Honors*

Honor certificates are awarded at commencement to those students who have met the following requirements: (1) received a grade of "B" or better on each subject each semester in academic subjects; (2) met the minimum requirements in Physical Education satisfactorily; (3) maintained a satisfactory citizenship record during each semester while at Montreat-Anderson. Scholarship pins are awarded to those who are entitled to honor certificates for two years.

*Rights Reserved by the College*

The College reserves the right to exclude from college any student whose academic work is unsatisfactory, whose character and morals are not consistent with the ideals of the College, or whose influence is detrimental to the spirit of the College.

The College also reserves the right to refuse to offer any course for which there are fewer than five students enrolled.

*Academic Probation*

Students who fail to pass 9 semester hours and obtain 6 quality points for any rating period will be placed on academic probation. Unless this minimum standard is obtained by the end of the next rating period the student will be ineligible to continue his work at the college the following semester. This regulation will be reviewed by the Administrative Committee if extenuating circumstances are indicated. The college reserves the right to require any student to withdraw whose

academic record is unsatisfactory and who does not show promise of doing satisfactory college work.

*Absences*

It is expected that students will not be absent without just cause. The responsibility for any work missed because of absence rests entirely upon the student.

In so far as absence effects a student's general standing in a course, the instructor concerned may use his judgment in reducing the student's grade, or in requiring him to make up work. See Student Handbook for detailed information.

*Withdrawal From The College*

Formal withdrawal from the College is arranged through the office of the Registrar and must then be approved by the Deans of Students. Such withdrawal becomes effective only when the completed application is filed in the office of the Registrar.

*Transcripts*

One transcript will be sent free of charge. A charge of $1.00 will be made for each additional transcript.

*Maximum and Minimum Loads*

Resident students are required to carry at least 12 semester hours of work exclusive of Physical Education courses and chorus. After the first semester of the freshman year, students who have made an average below C (1.0) for the preceding semester will not be permitted to carry more than 15 semester hours of work exclusive of Physical Education courses; those who have had an average of C (a point average between 1.0 and 2.0) may carry not more than 17 semester hours exclusive of Physical Education courses and chorus; those who have an average of B or above (2.0 or higher) may carry a maximum of 18 semester hours exclusive of Physical Education courses and choral work.

*Requirements for Graduation*

Students who plan to transfer to senior colleges or to a university should pursue one of the programs leading to an Associate in Arts degree. The course programs which follow are representative of those offered by major colleges and universities.

For the student who expects to terminate his college experience at the end of two year's study, Montreat-Anderson offers the General Education course. This program is not always advantageous for transfer.

The minimum requirements for graduation at Montreat-Anderson in the Associates in Arts and the Associate in Science degrees are sixty semester hours with sixty quality points and four semester hours in physical education. Transfer students must complete their last year of work at Montreat-Anderson with a "C" average.
